

# CPM NETWORKS

Improve productivity with the latest versions of Microsoft Word, Excel, PowerPoint, Outlook and more.

Always up-to-date –  
no more upgrades

Optimized for mobility

Easy and affordable  
monthly subscription

Most familiar and  
popular business  
applications

Office Apps provides you with the latest, most up-to-date versions of Microsoft Office for your desktop, mobile device, and the web.

Increase employee productivity by offering familiar and popular business applications. They can work online or offline, from any device, wherever they go.

## THE BENEFITS OF OFFICE APPS

### Office Apps – anywhere you need it:

- Desktop versions of Office – for up to 5 PCs or Macs, fully installable desktop versions of Word®, Excel®, PowerPoint®, Outlook®, OneNote®, and Publisher®.
- Office Online – web versions of Word, Excel, PowerPoint and Outlook, so you can be productive from any web browser
- Office Mobile – View and edit Office docs on your iPad®, iPhone®, Windows Phone® and Android™ devices

### Reduce licensing headaches:

- Office Apps is offered on a subscription basis. Buy for all or just some employees in your business.
- Eliminated complicated licensing arrangements
- Simplify installation
- Get access to new versions of Office as soon as they're released – updates run automatically
- Save money with a predictable monthly fee
